

**School District of La Crosse**  
**Family Access**  
**Acceptable Use and Safety Policy**

**Purpose**

The School District of La Crosse is providing Family Access to enhance communication between parents/guardians and their children's school. Users of Family Access may have access to the following information:

- Schedules
- Attendance
- Discipline
- Gradebook
- Student Information
- Report Cards
- Health Information
- Activities
- Food Service Information

The School District of La Crosse reserves the right to add/remove functions to/from Family Access at any time.

**Use of Family Access**

Users of Family Access are required to adhere to the following guidelines:

1. Users will act in a responsible, legal and ethical manner.
2. Users will not attempt to harm or destroy data, the school or the district network.
3. Users will not attempt to access data or any other account owned by another user.
4. Users will not use Family Access for any illegal activity, including violation of Data Privacy Laws. Anyone found to be in violation of these laws may be subject to Civil and/or Criminal prosecution.
5. Users who identify a security problem with Family Access must notify the their school's office immediately, without demonstrating the problem to anyone.
6. **Users will not share their password with anyone, including their own children. It is recommended that you change your password the first time that you log in.**
7. **Users will not set their own computer to automatically log-in to Family Access.**
8. Users identified as a security risk to Family Access or the School District of La Crosse's computer network will be denied access to Family Access.
